Teaching of Hindi in elementary schools

The Corporation of Madras request that the rule framed under the Madras Elementary Education Act 1920 should be amended so as to permit the teaching of Hindi in elementary schools.

Compare G.O. 860 Ed, 1.5.36, & 1908 Ed, 10.9.36

This request was made in the past more than once and it was refused. There seems to be no case for a reconsideration of the previous order. The question of teaching Hindi as a compulsory subject in forms I to III of secondary schools is separately under consideration. As regards elementary schools the position remains unaltered. The request of the Corporation may be refused. A draft order is submitted for approval.
